

TReeS News No.58

(UK supplement)

This is the third TReeS Newsletter to be compiled in Peru by the TReeS Peru team.

We are also very pleased to have a high profile sponsor in **Envirokidz Organic Cereals** produced by **Nature's Path** for this edition of the new Newsletter.

Camden Green Fair - Sunday 5th June

The annual Camden Green Fair will be held on Sunday 5th June, 1100-1700, in Regents Park, Camden Town side. There will be a large number of stalls covering a wide range of green themes and over 10,000 visitors are expected. TReeS will have a stall. We look forward to seeing members there.

TReeS AGM

The TReeS AGM will be held on a Saturday in late June/early July. Further details in the next Newsletter in June.

TReeS London Library

The TReeS London library is likely to move again in the next few weeks. Please check with Triple Line, who kindly house the Library at present, before visiting - 0208.788.4666

TReeS Presentation to new Ambassador

On 11th March, TReeS was one of 15 UK charities working in Peru invited to make a presentation to the new Peruvian Ambassador to the UK - DR Luis Solari - about its work.

TReeS was one of only two of the charities invited to be working in the Amazon region and the only one supporting conservation related initiatives.

TReeS Merchandise:

T-shirts -

* **Earth Warrior T-shirt:** an excellent value T-shirt, the design is based on a Nasca line image, in 'Andean earth red' on an unbleached T-shirt. Price- £8 (XL)/£7.50 (L).

* **Curl Crested Aracari T-shirt:** based on a colour painting by rainforest artist Eustace Barnes. Price: £9 (XL) (bleached or unbleached).

* **Special offer: £1 off any T-shirt if you buy one of the books listed below ***

Books -

* **NEW - Trees of Peru: an illustrated guide:** the first comprehensive generic guide to Peruvian tree flora, one of the richest in the world. The contents include details of forest types of Peru, identification keys, descriptions of 140 tree families and 980 genera. The text is accompanied by 900+ fine, line-drawings and coloured plates, and 200 colour photos. The book is reasonably compact and suitable for use in the field in Peru as well as much of Ecuador and Bolivia.

TReeS members special price - £40.00

* **NEW - Where to watch birds in Peru:** A new book by Tomas Valqui which aims to describe somewhere in Peru where almost any Peruvian bird species can be observed.

The book is divided in to 7 sections - The South-east; Cuzco & Southern Inter-Andean valleys; South-central Pacific slopes; Central Andes to Amazon; The North-west: Tumbes area; Maranon & Upper Huallaga; and Loreto.

The book describes 151 birding sites and explains how to reach them, where to stay, where to look for birds and what to expect.

There are 60 site maps, 7 regional maps and 3 thematic maps. The 15 biogeographic bird regions are described and illustrated. There are descriptions and pictures of the 42 most important bird habitats. More than 1200 bird species are mentioned in the text and there is a complete up-to-date Peru bird checklist.

TReeS members special price - £22.50

* **NEW - Ayahuasca Reader: Encounters with the Amazon's sacred vine:** a wide range of extracts from over 30 texts about the ayahuasca experience. These include indigenous mythic narratives and narratives related by travelers, scientists and writers; 250 pages.

TReeS members special price - £20.00

* **NEW - Wizard of the Upper Amazon:** an extraordinary document of life amongst the Huni Kui indigenous group of the northern Peruvian Amazon at the turn of the C19th/C20th and the mixing of human, animal and dream worlds; 200 pages.

TReeS members special price - £13.00
